IELTS:

International English Language Testing System or IELTS is an international standardised test of English language proficiency for non-native English language speakers. It is jointly managed by the British Council, IDP Australia and Cambridge Assessment English. Anybody who is above 16 years of age can appear for this exam. Students who are applying to study or people who wish to move to the **United States, Canada, United Kingdom, New Zealand, Australia** etc. are required to appear for the exam.

OET:

Occupational English Test or OET is the English language test that is specially designed for the healthcare professionals for work or study. Of course, it can be difficult but with proper OET training, it can be made possible. If you are a medical professional and you have this dream to practice in one of the English speaking countries like **Australia, New Zealand, United Kingdom, Ireland** and others then it is time that you will have to crack the OET test. (Online classes available)

CBT:

The nursing and midwifery council (NMC) test of competence part I exam is a Computer Based Test (CBT) consisting of 120 multiple choice questions for 4 hours. NMC CBT is intended for nurses trained outside the EU (European Union) and European Economic Area seeking employment as a nurse in the UK.

Communicative English Program:

This is our specially designed program for language lovers. This 45 days program will help people to learn and practice global language, English. This specially developed language learning program will equip students to appear for competitive exams and it will also instill interview skills in them by polishing their language and public speaking skills.
